Dear Mr. Jones,

I have received your responses to the deviations noted in the report for the December 2022 biennial evaluation of your laboratory (26-B-00133) at Garrett Laboratories, Inc. in Niles, MI. The responses address and correct the deviations and is satisfactory. Your laboratory approval expiration date is extended until the end of December 2024.

Keep this letter and all other evaluation documents on file for at least 2 years.

I thank you for your cooperation during the evaluation and your efforts to improve the quality and reliability of testing at your laboratory. If you have any questions, please contact me using the information listed below.

Sincerely,

A handwritten signature in cursive script that reads "Shawn M. Lee".
